

Guest Call Matrix System

Unique in Design & the Ultimate in Quality

The matrix is our top of the line Paging System that combines world class paging technology with the ultimate in design and style.

Now you can offer waiting customers a Matrix Pager with a distinct style and be sure they will be alerted anywhere they decide to be.

Matrix Pagers offer branding opportunities, whether it's your unique logo or promotion. The Matrix Pager provides protection against mild to moderate liquid ingress with its IP67 rating which guarantees extra long life.

Your customers will get the most out of their waiting experience with Matrix Pagers providing a premium finish and a build quality that copes with the most demanding environments..

If you demand the ultimate in style and quality Matrix should be your preferred option.
