PCS 730 Digital Portable Radio

Compact Clear Portable Radio

The restaurant and Hotel Business is fast paced and quality communications is key to quality customer service.

The PCS 730 Digital Portable two way radio from Pager Call Systems enhances efficiency by allowing staff to instantly communicate via a compact and rugged lightweight portable mobile radio offering unrivalled crystal clear audio.

The PCS 730 offers 32 channels with two zones, 16 digital channels & 16 analogue channels.

The PCS 730 digital portable radio's unique impact resistant design stands out amongst its competitors as a clear choice for the most demanding users.

A long life battery & 5 watts of power ensure that the radio not only survives the entire day, but also provides extensive coverage in even the largest site.
